

The Great Exchange of the Cross

At the cross a divine exchange took place.

- Evil - All the evil that came through mankind's sin Jesus took upon Himself,
- Good – so that you could be restored back to God, receiving every good and perfect gift in Christ.

Make the exchange.

1. Give to God any form of evil.

- Write on the card any area of your life being darkened by evil:
any sin, bad habit, sickness, curse, lack, negative emotions (ie shame, anger, frustration, bitterness), rejection, broken relationship, etc.
- Break your agreement with it.
- Tear up the card. Give it to Jesus, placing it in the bucket at the foot of the cross.

2. Walk through the cross. See the power of Jesus' blood completely destroying every form of evil.

Step out of the darkness – out of the curse:

- the reality of the world and the flesh with all its limitations and requirements
- the sin, sickness, and death
- the harassment and accusations of the devil and those agreeing with him
- the hopelessness and unbelief

Step into Christ & into God's Kingdom of love – into the blessing:

- heaven's reality where all things are possible and where Jesus' blood has qualified you
- freedom from dominion of sin, sickness, the flesh, and the devil
- righteousness, peace, and joy
- hope and faith

3. Kingdom of God Identity Card – Fill in the blanks. What blessing are you receiving? (See back of card.)

Declare the Truth of what Jesus' blood has done for you and your new identity in Christ.

4. Communion - Receive Jesus Christ, God's love gift to you, and all His benefits. (Psalm 103: 1-5)

The Body of Christ – Receive healing for your spirit, soul, body, and circumstances.

- Say – “Thank-You Jesus for healing me from _____.”
- Declare – I believe and receive “By the stripes Jesus bore for me, I am healed from _____.”

The Blood of Christ – Receive forgiveness for your sin.

- Say – Thank-You Jesus for forgiving me of all my sin and making me righteous.
- Declare – I am forgiven and cleansed from all sin. I am justified, “just-as-if-I'd” never sinned.

5. Remember Jesus! Remember what Jesus has done for you! Moment by moment live loved!
