

# Melchi-Zedek

## Session 6 – MELCHI-ZEDEK- Class 1 Notes

Gen 10:15 Canaan father of . . . Jebusites, Amorites  
Gen 15:10 Iniquity of the Amorites is not complete  
Gen 15:18 Dimensions of land . . . Amorites, Jebusite  
Gen 14 Melchi-Zedek King of Salem blesses Abraham

No city named Salem in book of Gen.

Gen 22 “Go to land of Moriah to one of the mountains I will show you.  
(Mountain not city.) Carries the wood, for burnt offering, 65 miles.

Gen 24 Abraham makes his servant pledge to not take Isaac a bride from among the Amorites where he lived. Sent him 700 miles away to get a pure bride. (Why not 60 miles away to his priest, Melchi-Zedek’s kingdom and get one of His righteous offspring?)

Joshua kills 5 Amorites Kings . . . one the King of Jerusalem.  
Jerusalem still called Jebus (city of Jebusites) in Jdg. 19.10.

1 Chron11:4-5 Inhabitants of Jebus said to David “can’t take our city.”  
(950 years after Abraham’s blessing by Melchi-Zedek.)

Ez 16 Jerusalem, your father was an Amorite and your mother a Hittite.  
(Not your father was the King of Salem, Priest of the Most-High God.)

When Sons of Abraham come into the land, 470 years later, they are over 2.5 million strong in spite of conditions in Egypt. On the other hand, Melchi-Zedek, King of Salem has no offspring. And His supposed city was ruled over by the Jebusites. What is wrong with this picture? Everything.
